

## **Dress Rehearsal Nutcracker 2018**

*Please be ready to dance and in your costume by your call time. Put coats in the lobby and head quietly to the hip hop room for your costume. Bring your nude leotard if you have one...we will not have enough space in the dressing room so we will change in the back room. Please leave snacks and water bottles in the lobby away from the costumes.*

*As this is an open dress rehearsal please put all valuables with your clothing in the hip hop room away from visitors...you are welcome to leave in between numbers or stay and watch your fellow performers, but you must be at call time promptly. The times for rehearsals are varying according to dance length and which dances have added class time to rehearse. Thank you for your help in making this the best show we can make it to be!*
